## THANK YOU FOR CELEBRATING AT THE PARTY ON PLEASANT!

Thank you to everyone who came out and celebrated the Reimagine Pleasant Street project. It was great to have so many community members join us on the new road and bridge before it opened to traffic!

## PLEASANT STREET OPEN FROM RIVER ROAD TO EIGHTH STREET

In case you missed it, Pleasant Street is now open to traffic between River Road and Eighth Street! This includes a new bridge over the White River and roundabout at River Road.

Construction continues for Phase 1 at the intersection of 10th and Pleasant for a new roundabout that will be open to traffic by Thanksgiving. Construction of Phase 2, which is from 11th Street to SR 37, and Phase 3, which is from Hague Road to River Road, is scheduled to be complete by the end of 2025.

## RECENT CONSTRUCTION ACTIVITY

Crews continue their work for Phase 3 as beams were recently installed for the new bridge over Cicero Creek. Construction also continues on the new roundabout at Tenth Street and Pleasant Street as part of Phase 1. Crews are working hard to open the intersection to traffic by Thanksgiving!
